Nortech supports customers globally

Amer Hafiz, Nortech's Technical Director, recently delivered a successful Technical Training Course to our newly appointed partners DFS in Dubai.

This will enable the DFS team to provide local pre and post product sales support. At Nortech we value supporting our customers where ever they are in the world.

Nortech Product Update

Are you aware of card capture benefits?

SECURE: can capture expired and

stolen cards.

FLEXIBLE: can be used with virtually any contactless card system.

USER FRIENDLY: removes bottle necks at entrances / exits.

COST EFFECTIVE: capture or return cards after reading.

Nortech News
