

Nortech Bulletin - Issue 34 - Spring 2018

Product Review - extend your uPASS read-range

Nortech would like to offer its customers a product preview in Nedap's NEW [uPASS TARGET Antenna](#). This external antenna for use with a uPASS TARGET reader, provides a wider area read range and can additionally be used for reading both vehicle entry and exit lanes.

Call **01633 485533** for more details or to find out how to upgrade your existing systems.

Intersec 2018

Having strengthened its export distribution in the Middle East last year, Nortech recently returned from the Intersec show in Dubai having not only cemented its relationship with its distributor Digital Factors but also having networked with the many contacts the company had at this international security and safety solutions exhibition where over 1,300 companies exhibited.

Quality

As one of the leaders in access controls systems,

Nortech is proud of its approach to product engineering to ensure quality and reliability in both its products and services. Once again Nortech passed its external audit for **ISO 9001:2008** with flying colours at the end of last year. It is now comprehensively working towards the **ISO 9001:2015** standards for mid 2018.

CERTIFICATE NO. 85520

Nortech expands its workforce

To accommodate the increasing demand for products & services, we have just made three new appointments, two in technical sales and support and one in R&D. We will also be looking at adding two additional apprentices into the technical and commercial sides of the business during 2018.

All of these will strengthen our team in these key areas ensuring Quality and Customer Satisfaction are always at the forefront of everything we do.
