

## Nortech Bulletin - Issue 35 - Summer 18

### PRODUCT REVIEW - MRC350 - MOTORISED CARD CAPTURE

Do you install turnstiles, Speed Gates or roadside pedestals?

Customers want a quick return on investment?

**Solution found:** The MRC350 replaces any standard ISO proximity or smart card reader and provides the added capability of capturing or returning cards under instruction from an access control unit.

### NORTECH STRENGTHENS PARTNERSHIP WITH NEDAP

After a strong start to 2018, people and vehicle access control specialists [Nortech](#) has once again been recognised as a certified partner of Nedap for long-range identification. Following the presentation of the certification at this year's Intertraffic exhibition, Nortech's Managing Director Stephen Blackler commented... " ***Nortech is proud***

to be part of the Certified Partner Programme as it shows the company's commitment and ability with Nedap's long-range identification products as part of our vehicle access solutions." click [HERE](#) to read full article

## APPRENTICESHIPS

As one of the leaders in access controls systems, Nortech has just employed two apprentices for the Manufacturing and Commercial sides of the business. As an "Investor in People" company, Nortech very much sees the value of the apprenticeships which are great at developing skills in new people matched to the future needs of the business.

## A DAY OUT AT THE RACES

For a change of scenery, this year Nortech decided to sponsor a hospitality box at The Chepstow Races. A fun evening was enjoyed by everyone with some having more luck than others on picking the winners... [CLICK](#) to find out who had the technical skill on the night

## UPCOMING EVENTS

Why not come and see Nortech at one of the following shows?

[ADI Expo - 11th October - Manchester](#)

[ADI Expo - 15th November - Birmingham](#)
