Nortech Software Update

NORPASS3 UPGRADE FOR A SEAMLESS INTEGRATION WITH ANPR

Nortech is excited to announce another exceptional software upgrade for the Norpass3 (v3.3) that offers a seamless integration with Automatic Number Plate Recognition (ANPR) camera and robust communication through Wi-Fi network.

Norpass3 helps installers to effectively administrate who has control over each area of their premises and offers a comprehensive range of user-selectable features.

The new software upgrade makes Norpass3 the only free access control software of its type that is fully integrated with ANPR camera.

Nortech Company News

Nortech to support David Sheldrick Wildlife Trust

After Stephen Blacker's challenging and emotional journey to East Africa Nortech has signed up for an [Orphans Fostering Program at David Sheldrick Wildlife Trust](#).

Nortech had decided to foster not one but TWO baby elephants: ARRUBA and MURERA. As a foster parent Nortech will be receiving monthly updates with a link specific to [MURERA](#) and [ARRUBA](#) to the Keeper's Diary. This way you will be able to keep in close contact with their life and read more about their daily adventures and progress.
